Organizing Carolina Liberty

1 Corinthians 14:40

"Let all things be done decently and in order."

Introduction

Carolina Liberty originally started with just four men and now we have over twenty people in attendance on a weekly basis. In this transition period, we feel that more organization is needed in order to better accomplish our goals. First, we would like to better establish our goals. Take a few minutes now to tell us what you expect out of this meeting and this group using the attached sheet of paper. Also, from this point on, we will bring a suggestion box to every meeting so that you can make recommendations on anything you feel is important for us to focus on.

Set Goals

- Tasks/Goals with follow-through!
- Weekly schedule - a time for everything including:
 - Announcements
 - Lecturing & Education
 - Defining new goals and following up on current goals.
- Monthly Calendar - the website will eventually have a calendar, but for now we may want to buy a calendar that can be seen in class each week. Another easy possibility is to have a Google calendar that would be linked to our website.
 - Carolina Liberty Raleigh Rally
 - Tax Day
 - Operation Education - Educate pastors, leaders, friends, family and everyone in between on Liberty.
 - Tell-A-Friend Day - Award the person with most visitors.
 - Visitation Day - Door-to-door, provide instructions for what to say
 - Flyer Day

Get Leaders & Laborers (Volunteer Positions)

"But speaking the truth in love, may grow up into him in all things, which is the head, [even] Christ: From whom the whole body fitly joined together and compacted by that which every joint supplieth, according to the effectual working in the measure of every part, maketh increase of the body unto the edifying of itself in love." Ephesians 4:15,16

With an increased number of people in our group and our increasing number of goals, it becomes necessary to include everyone in the tasks to be accomplished. Get involved! We each have something to contribute to the cause. Here are some ideas to start us off.
