Jeanne,

Thanks for the information. I want everyone to know that Dean Logan and Liz Smith have played a major role in the development of the website. We are working on updating the main page with an announcement about the Friday meeting.

We will have a table at the June 3rd Tea Party (should be finalized today). Anyone wanting to help can contact me. Setup is at 2:30 PM on June 3rd in Raleigh.

I have an appointment with Paul Stam on Friday as an attorney to discuss any legal issues concerning calling a Convention of the People. We do not want to be blindsided by a legal tactic.

I will be meeting on Wednesday with the Tea Party organizers for July 4th at 3:00 PM. Anyone wanting to help is welcome.

Other issues: updating ncfreedom.us with information, contacting new groups across the state to join with us.

Lucy and I want to extend our thanks for your hospitality this weekend.

Sincerely,

David DeGerolamo
